

Now the dust has settled after the festival I

would like to extend a big “thank you” to everyone who helped make another very successful weekend.

To organise and run an event as diverse as ours over three days takes an enormous amount of cooperation from everyone and Birregurra and District should be very proud of the result.

Special thanks to the “hard core” committee members Amanda, Tim, Russ, Barb, Vicki, Desma and Mary plus the well organised Art Show crew led by Glenys.

To all our sponsors big, small, in kind and in cash; we appreciate your support greatly. Also the support of the Colac Otway Shire in sponsorship and hands on assistance from the events department was a tremendous help.

The involvement of our various community groups plays a big part in the weekend and I hope everyone had some fun whilst raising a few dollars.

As with every festival there are improvements to be made and things we could do better, so please contact me with any ideas for the future.

Thanks also to the local residents who tolerate the inconvenience of road closures, car parking etc. Once again sincere thanks to everyone who contributed to a successful weekend.

Noel Lidgerwood.
